**STAY
SAFE
AND
SAVE
ON**

The COVID-19 pandemic has affected us all.

Both the pandemic and the actions we're all taking to combat it have dramatically impacted our daily lives. However, EvoShare's mission of making saving for the future a daily habit for every American hasn't changed. So, we put together this guide to show how we can still help you save in these trying times by recapturing a percentage of your spending. This is a short list of partnered merchants that can get you everything you need for the present - with the added bonus of giving you cash-back for your future.

1

Online shopping
(general)

You don't have to fight the lines, or even leave the house to get your household essentials. Order online from these big-name stores and you'll be adding to your financial goals while you stock up on the necessities.

POTENTIAL EARNINGS:

up to 4% cash-back

2

Grocery delivery
services

Looking to pick up some groceries? EvoShare has your back.

You can earn cash-back when you order groceries for delivery or pick-up with these partners.

POTENTIAL EARNINGS:

up to \$6.60 cash-back

3

Meal delivery
services

Interested in supporting local businesses? Not so interested in doing the dishes? Order delivery for dinner (or any meal) with these services - and get an extra side of cash-back for your financial goals.

POTENTIAL EARNINGS:

up to 3.75% cash-back

seamless

4

Meal prep
services

We've all been preparing more meals at home as we deal with quarantines and stay at home orders. If you really want to get cooking, *try a meal prep service* that delivers all the ingredients you need to create amazing dishes you've never tried.

POTENTIAL EARNINGS:

up to \$27 cash-back

5

Entertainment

Let's face it; streaming services are probably the number one thing keeping us sane during lockdown. Look no further than these services to *keep yourself entertained* - and power your financial future - while you stay at home.

POTENTIAL EARNINGS:

up to \$15.60 cash-back

6

Online learning
/training

There's no time like the present to level up. You can learn anything from how to program games to how to play guitar - without changing out of your pajamas - with these partners.

POTENTIAL EARNINGS:

up to 40% cash-back
